**NEW** *Obama's Presidency is Challenged!*

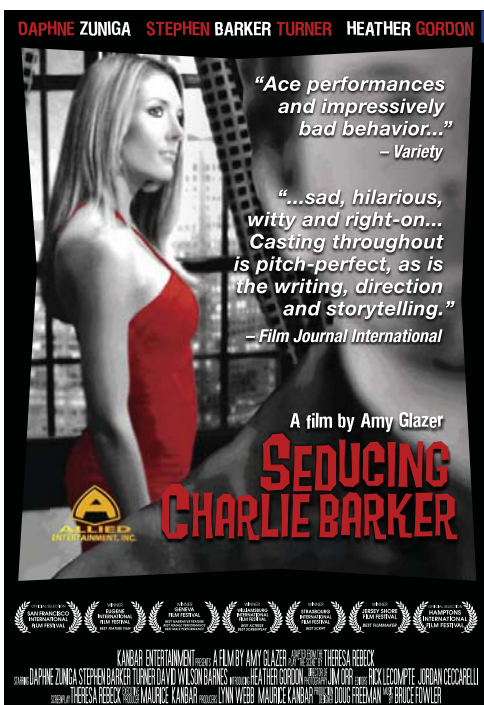

- **Documentary** (92 min)

**ALLIED ENTERTAINMENT, INC. PRESENTS A  
CMM GROUP LTD. PRODUCTION**

*Controversial Birther movement in the USA is claiming President Obama's presidency is not legitimate, even after he released a copy of his long form Birth Certificate on April 27/11. Obama may be barred from running for re-election in key states as laws are currently being enacted requiring proof of natural born citizenship for all Presidential candidates.*

*A fascinating documentary in the vein of Michael Moore's Fahrenheit 9/11 and Sicko that will bring to light additional information in exclusive interviews.*

*What are the consequences for the world  
if this happens in America?*

**NEW** *Seducing Charlie Barker*

- **Romantic Drama** (93 min)

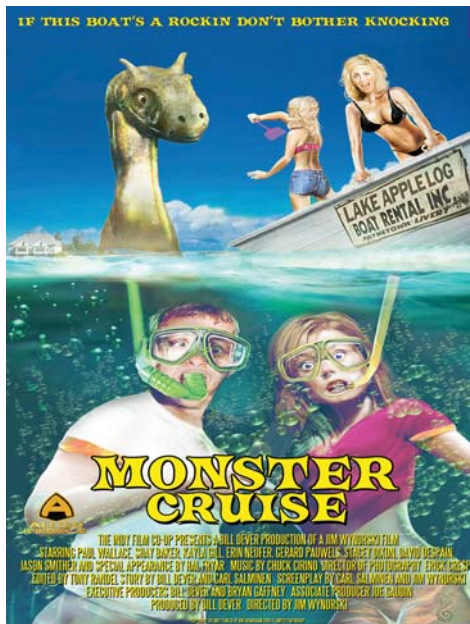

Starring: **Daphne Zuniga, Stephen Turner, Heather Gordon**

Executive Producer: **Maurice Kanbar** Producer: **Lynn Webb**

Written by: **Theresa Rebeck** Director: **Amy Glazer**

*Charlie Barker, a talented actor on the downward swing of a marginal acting career, tosses aside his best friend, his wife, and ultimately his sanity for Clea, a modern day succubus looking to make the scene in New York City. Clea is on the way up and Charlie is on the way down and where they meet in the middle can only last so long. Shedding dignity, common sense and those who care about him, Charlie wades into the poisonous sea we all swim in where emasculated men and demeaning women leave us wondering.*

*Ace performances and impressively bad behavior!*

 Director: **Ace Cruz** (Best Director – Virgo Awards 2001)

*The time is present day. A city plagued by bad weather and crime. A city infected with homicides and lawless murders. A vulnerable city such as this is the ideal habitat for a well-defined sociopath. This is the story of two detectives hunting a killer who is using his victims as characters in a demented story.*

## Pups

- **Action Drama**

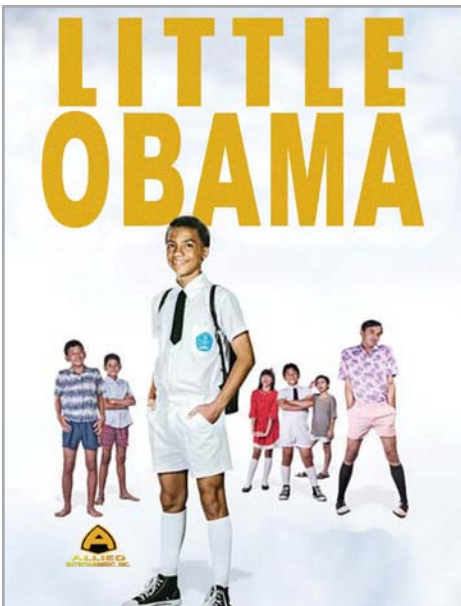

(95 min)

Starring: **Burt Reynolds, Mischa Barton** (FOX Hit show: "The O.C.", "Sixth Sense", "Notting Hill"), **Cameron Von Hoy**

Producer: **Daniel Berger** Director: **Ash**

*As a post-modern response to the growing trend of senseless gun related violence amongst youngsters, "Pups" chronicles the story of a rebellious "latch-key" teenager who finds his mother's gun, and instead of heading to his suburban school, he embarks on a spontaneous bank robbery with his girlfriend (Barton) that holds the Nation's attention. Tensions inside the bank heighten as a fatherly FBI agent (Reynolds) negotiates the boy's absurd demands, exemplified by an interview with MTV personality Kurt Loder. An explosive, desperate journey reminiscent of "Dog Day Afternoon".*
